The Best Health, Safety & UV Sun Face Shield Ever Invented!!!! www.raygear.com

raygear® launched 4 new innovative and revolutionary X-Shields™ in Canada, vented and non-vented, clear and smoke with anti-fog and hard coat coatings which meets and are compliant with ANSI Z87.1-2003 & CAN/CSA Z94.3-07.

X-Shields™ are Health, Safety and 99.9% UV Sun Shields that protect your eyes and entire face from flying debris and other hazardous materials and are applied just like a pair of glasses. X-Shields™ patented nose bridge standoff allows the X-Shields™ to be spaced away from your face which gives full face protection and light weight comfort just as a pair of safety glasses.

X-Shields™ can be used in any environment, indoor or outdoor, where eye and face protection is needed.

Just Put it On!
